Why Projectworks?

With 150+ years of consulting experience under our belts, we've built a project intelligence platform with all the features you need to increase billable time and margins. Our customers grow headcount by 20% in their first year of use.

TIME TRACKING

Easy-to-use timesheets that actually get filled out, with a simple review and approval process.

EXPENSES

Track expense burn against your project budget, with painless expense submission for employees.

RESOURCING

Plan successful projects with the ability to see who is available, at capacity, or over-allocated at a glance.

REVENUE FORECASTING

Revenue projections are calculated based on financial and resourcing data to ensure you eliminate risk and achieve maximum profitability.

INVOICING

Pre-populated invoices auto-sync seamlessly with accounting software, saving you time and helping you get paid faster.

REPORTING & INSIGHTS

Built-in reports on margin, WIP, and utilization provide actionable insights so your professional services business can thrive.

Why firms choose *Projectworks*

“

What *customers* are saying

DON'T TAKE IT FROM US.
HEAR WHAT OUR CUSTOMERS
HAVE TO SAY

“Projectworks was the first solution we came across that really felt like the future.”

MARC FOSTER
VICE PRESIDENT AT CYPRESS ENVIRONMENT
AND INFRASTRUCTURE.

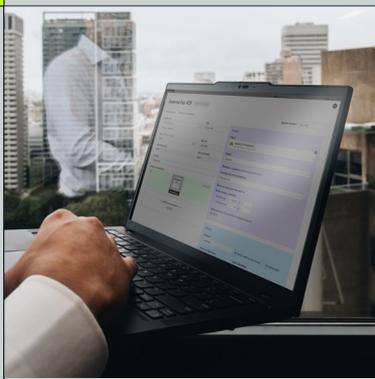

“We’ve been able to build predictable models for our staffing needs and that has saved us, in the last couple of years, as much as \$85,000.”

EMEKA NNADI
FOUNDER, PRESIDENT, AND PRINCIPAL
OF THE NADI GROUP

“Projectworks was quick to set up, intuitive to use, and immediately gave us a single source of truth for all our projects.”
